Boss Battle Cleaning Jobs

BIG JOBS, RAID-STYLE · CHIP THE HP · OR SCHEDULE THE FIGHT

WEEK OF

_____

Season _____

These are the jobs that avoid eye contact all week: mountains and fridges and mystery closets. Frame them as bosses — big, damp, non-urgent — and fights become tractable. Each 15-minute session of focused effort = one HP pip knocked off. Cross a pip, log a session, get XP. Bosses can be fought solo or as a squad; spawn a new card when a familiar foe returns.

Party rule: an unfinished boss keeps its HP. Sessions bank as XP immediately — a 15-minute dent still counts. No one "owes" the rest.

Raid tip: schedule the fight for the weekend strike team run — bosses fall faster with four hands and a snack break at half HP.
