Quest Board: Quest of the Week

PICK YOUR PARTY · PICK YOUR QUESTS · PLAY THE WEEK

WEEK OF _____

Season _____

How it works: cut out a card, hang it somewhere everyone will see it, and whoever accepts writes their name in. Map the difficulty to real life — **I** = doable while distracted, **II** = normal effort, **III** = needs focus or backup, **IV** = a full party should probably help. Set the XP together so it feels fair, not managed. Grown-ups pick cards too — same rules, same XP.
